stone for Sascha
786093

This year's holiday will be very different for a young girl without Sascha, her beloved dog, along for the ride. But a walk along the beach to gather stones becomes a turning point in the girl's grief. There, at the edge of a vast ocean beneath an infinite sky, she uncovers a profound and joyous truth...

A beautiful wordless epic from the Caldecott Honor-winning creator of *Journey*, *Quest* and *Return*.
